

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

JONATHAN LEE RICHES,) No. C 07-5655 MJJ (PR)
Plaintiff,)
v.) **ORDER OF DISMISSAL**
MATTHEW SHEPHARD, et al.,)
Defendants.)

Plaintiff, a federal prisoner proceeding pro se, filed this pro se complaint against Matthew Shepard, the “Matthew Shepard Act,” Norman Hsu, Dennis Kozlowski, Christopher Ricciardi, and Michael Mukasey. Additionally, he names as defendants various California wildfires, an earthquake and a website.

A federal court must conduct a preliminary screening in any case in which a prisoner seeks redress from a governmental entity or officer or employee of a governmental entity. See 28 U.S.C. § 1915A(a). In its review, the court must identify any cognizable claims and dismiss any claims that are frivolous, malicious, fail to state a claim upon which relief may be granted or seek monetary relief from a defendant who is immune from such relief. See id. § 1915A(b)(1),(2). Pro se pleadings must, however, be liberally construed. See Balistreri v. Pacifica Police Dep't, 901 F.2d 696, 699 (9th Cir. 1988). To state a claim under 42 U.S.C. § 1983, a plaintiff must allege two essential elements: (1) that a right secured by the Constitution or laws of the United States was violated, and (2) that the alleged violation was committed by a person acting under the color of state law. See West v. Atkins, 487 U.S. 42, 48 (1988).

1 Sections 1915A and 1915(e)(2) accord judges the unusual power to pierce the veil of
2 the complaint's factual allegations and dismiss as frivolous those claims whose factual
3 contentions are clearly baseless. See Denton v. Hernandez, 504 U.S. 25, 32 (1992).
4 Examples are claims describing fantastic or delusional scenarios with which federal district
5 judges are all too familiar. See Neitzke v. Williams, 490 U.S. 319, 328 (1989). To pierce the
6 veil of the complaint's factual allegations means that a court is not bound, as it usually is
7 when making a determination based solely on the pleadings, to accept without question the
8 truth of the plaintiff's allegations. See Denton, 504 U.S. at 32. A finding of factual
9 frivolousness is appropriate when the facts alleged rise to the level of the irrational or the
10 wholly incredible, whether or not there are judicially noticeable facts available to contradict
11 them. See id. at 32-33.

12 Plaintiff alleges the "Matthew Shephard Act" limits his freedom of speech and Sixth
13 Amendment Rights, and that defendant Norman Hsu is collecting funds "for this Act." He
14 further alleges that Dennis Kozlowski and Christopher Ricciardi, executives of Tyco
15 International and Merrill Lynch, set the wildfires in California on behalf of the United States
16 Attorney General Michael Mukasey to "make it easier to see illegals crossing the border."
17 Finally, he alleges that the website, www.Godaddy.com, is violating his Sixth Amendment
18 rights by price gouging his website. As plaintiff's allegations are clearly baseless, irrational
19 or wholly incredible, the complaint will be dismissed as frivolous under sections 1915A and
20 1915(e)(2).

21 For the foregoing reasons, this action is DISMISSED.

22 The Clerk shall close the file.

23 IT IS SO ORDERED.

24 DATED: 11/28/07

MARTIN J. JENKINS
United States District Judge
